## ***Scholarship***

CBWeaveNet is a like-minded group whose aim is to offer educational opportunities to fibre enthusiasts from Cape Breton and beyond. CBWeaveNet is committed to increasing access to weaving workshops for talented and aspiring craftspeople, and believe that financial hardship should not be a barrier to educational opportunities. We believe that it is important that we increase access to our programs for a diverse group of participants.

CBWeaveNet is pleased to offer two \$100 scholarships per year, available for Cape Breton based participants of our 3-day Fall Workshops. As these funds take the place of the deposit for Fall Workshops, scholarship participants are expected to pay the balance of the workshop fee in line with the regular payment schedule.

Applicants are not required to provide proof of income or financial circumstance; however, we ask that applicants take the spirit of the scholarship into account when they consider applying.

Please note that whilst workshops are open to any fibre enthusiast, scholarships are only available to those who live in Cape Breton.
